

Have you signed up your family for the PFC yet?

Does anyone know what PFC stands for? The PFC stands for parents and faculty committee. What does that mean to you? Our PFC are volunteers who help organize all sorts of fun events for our students. If we don't have those wonderful people who take time out of their busy schedules, we wouldn't be able to do these events.

The PFC is **only** \$5.00 per family for the entire school year. You DO NOT have to volunteer if you pay the membership fee, BUT we do need volunteers for our events. Volunteering is a great way to meet new people, spend time with your child, and to be an example that you are involved at your child's school. If your child is not signed up as a PFC member they will miss out on being a part of a great team!

The PFC pays for many things for your child

Scholastic magazine for all students

Fees for the field trips would be much more expensive to you as a parent.

Fees for the busses that take the children to the field trips.

School assemblies ...and more

We have our fall fundraiser coming soon! This is a chance to help raise money for Fry school. Holiday shop is also in December and is a fun way to volunteer. We welcome any new ideas and have monthly meetings every last Monday of each month at 2:45 in the library.

All throughout the year we will be needing volunteers to help out with different events and we understand parents work and have hectic schedules, but ANY time is valuable even if you can only volunteer for one event.

PFC MEMBERSHIP ONLY \$5.00 PER FAMILY {Please detach bottom portion and return to school}
