Dear Parent/Guardian:

Enclosed you will find the names of the District 111 certified teaching staff who will provide tutoring services to the students after school hours. Each of the teachers listed below has indicated the grades and subjects in which they will provide tutoring, and their days of availability. Each teacher providing private tutoring services is working as an independent provider. The cost of tutoring services is at the discretion of each individual teacher. Parents interested in seeking tutoring services are responsible for the cost of these services. Please be aware that in accordance with district policy, private tutoring services cannot be provided on school grounds.

If you are interested in tutoring services for your child, please feel free to contact any of the teachers listed below who provide the subject and grade level service you are interested in obtaining. If you call the school as listed below during the day and the teacher is not available at the time of your call, please feel free to leave them a message. The telephone numbers for each of the schools are listed in the left-hand column of this letter.

If you have any additional questions regarding the information included in this letter, please feel free to call me at 496-0500.

Sincerely,

Pamela Lindemann
